Questions 5 and 6: Esophageal cancer and alcohol/tobacco use, part 2

[Bookmark this page](#)

Assessment due Mar 5, 2021 23:52 IST

The following four parts look at probabilities related to alcohol and tobacco consumption among the cases.

Question 5a

1.0/1.0 point (graded)

For cases, what is the probability of being in the highest alcohol group?

0.225

Submit

You have used 1 of 10 attempts

Question 5b

1.0/1.0 point (graded)

For cases, what is the probability of being in the highest tobacco group?

0.155

Submit

You have used 1 of 10 attempts

Question 5c

1.0/1.0 point (graded)

For cases, what is the probability of being in the highest alcohol group and the highest tobacco group?

0.05

Submit

You have used 1 of 10 attempts

Question 5d

Question 5a

1.0/1.0 point (graded)
For cases, what is the probability of being in the highest alcohol group or the highest tobacco group?

✓

0.33

Submit

You have used 1 of 10 attempts

The following six parts look at probabilities related to alcohol and tobacco consumption among the controls and also compare the cases and the controls.

Question 6a

0.0/1.0 point (graded)
For controls, what is the probability of being in the highest alcohol group?

Submit

You have used 0 of 10 attempts

Question 6b

0.0/1.0 point (graded)
How many times more likely are cases than controls to be in the highest alcohol group?

Submit

You have used 0 of 10 attempts

Question 6c

0.0/1.0 point (graded)
For controls, what is the probability of being in the highest tobacco group?

Submit

You have used 0 of 10 attempts

Question 6d

0.0/1.0 point (graded)
For controls, what is the probability of being in the highest alcohol group and the highest tobacco group?

Submit

You have used 0 of 10 attempts

Question 6e

0.0/1.0 point (graded)

For controls, what is the probability of being in the highest alcohol group or the highest tobacco group?

Submit

You have used 0 of 10 attempts

Question 6f

0.0/1.0 point (graded)

How many times more likely are cases than controls to be in the highest alcohol group or the highest tobacco group?

Submit

You have used 0 of 10 attempts
